

In mid 2014, an exciting Light Rail system in the Gold Coast came alive, linking people and communities along the coast. G:link is operated and maintained by KDR – a joint venture between international tram and bus operator, **Keolis**, and Australia's leading provider and maintainer of passenger and freight rolling stock, **Downer Rail**, as part of the GoldLinQ consortium. As a world-class, reliable and integrated transport network, G:link is central to the City of Gold Coast's 'Bold Future' vision to be a leader in sustainable living.

### **LRV Operator**

#### **Position Description:**

Drive the LRVs according to timetable with constant concern for the safety of passengers and other parties. In case of disruption or emergency, respond appropriately to protect passengers, other parties and assets under the guidance of the Control Centre and the operational procedures.

#### **Reporting to:**

LRV Team Leaders / LRV Operator Manager

#### **Position Responsibilities:**

- Operate the LRV and adapt speed according to the timetable, procedures, signals, line profile and the surrounding environment
- Stop at each LRV station, ensure the door opening and closing sequences are correctly followed in a safe manner
- Assist customers both boarding and disembarking when required. Respond to requests for information from customers when safe to do so, on platform or through the Information/Emergency Help Points in the cab
- Perform LRV preparation and report defects promptly, both on preparation and in service. Report Defects on the LRV, corridors, stations and depot, and rectify immediately when safe to do so
- Carry out their role as described within the operational emergency and incidents response plans
- Work either part time or full time hours (casual roles unavailable at this time)
- Other duties as directed by the LRV Operators Manager

#### **Competencies Required:**

- Ability to learn moderately technical issues, and to understand and apply specialised procedures.
- Has a high degree of safety awareness
- Capacity for learning and complying with rules and procedures
- Ability to remain calm in challenging situations and cope with stress
- Able to work autonomously.
- Able to achieve Cert III Driver (Light Rail) AQTF Qualification

#### **Profile Requirements:**

- Have an open non-restricted driving licence (tram licence/experience not necessary!)
- Be legally entitled to live and work in QLD
- Have a positive attitude and good team spirit
- Be willing to work shift hours including night shifts on a Monday to Sunday roster

- Be fluent in written and spoken English with sound communication skills
- Have excellent reaction times (psychomotor testing will be required)
- Be a Rail Safety Worker Category 1 (Rail Safety Critical Worker)

All KDR Gold Coast workers have a responsibility to comply with and implement the KDR Integrated Management System and to participate in processes, systems and procedures for Safety Environment and Quality that support KDR Gold Coast business activities. Responsibilities are set out below:

- Comply with and implement the processes and systems that support positive safety culture and integrate positive safety culture into everyday work activities and behaviours
- Contribute through the implementation of work activities and demonstrate behaviours in line with a positive safety culture to achieve KDR Gold Coasts' objectives and targets
- Comply with and implement, participate in and support the KDR Gold Coasts' continuous improvement processes and systems
- Participate in internal and external audits for continuous improvement of KDR Gold Coasts' systems and processes
- Comply with and implement KDR Gold Coasts' systems and processes
- Attend education, awareness and training provided by KDR Gold Coast, hold the competencies to perform the role
- Report all incidents and accidents in accordance with KDR Gold Coasts incident reporting process
- Participate in KDR Gold Coasts injury management process
- Integrate SQE performance requirements into behaviours and activities, follow processes and systems and provide feedback to the SQE team to facilitate continuous improvement
- Comply with and implement KDR Gold Coasts' Fit for Work programs and system and attend work – fit for work
- Comply with and implement the SQE requirements for human factors identification and assessment
- Participate in, comply with and implement the processes and systems that facilitate corrective actions, opportunities for improvement and hazard reporting
