

In mid 2014, an exciting Light Rail system in the Gold Coast came alive, linking people and communities along the coast. The G:link is operated and maintained by KDR – a joint venture between international tram and bus operator, **Keolis**, and Australia's leading provider and maintainer of passenger and freight rolling stock, **Downer Rail**, as part of the GoldlinQ consortium. As a world-class, reliable and integrated transport network, G:link is central to the Gold Coast City Council's 'Bold Future' vision to be a leader in sustainable living. We are looking for dedicated and enthusiastic people to join our exciting system, and be part of a dynamic team of individuals.

LRV (TRAM) OPERATOR

Position Description:

Drive the LRVs according to timetable with constant concern for the safety of passengers and other parties. In case of disruption or emergency, respond appropriately to protect passengers, other parties and assets under the guidance of the Control Centre and the operational procedures.

This is a part time role, requiring shift work (Monday to Sunday including a 24 hour roster). Full training as an LRV Operator will be provided. During the training period you can expect \$19.32 gross per hour base rate plus allowances. Following training, rate of pay will increase to \$21.35 gross per hour base rate plus allowance.

Reporting to:

LRV Team Leaders / LRV Operator Manager

Position Responsibilities:

- Operate the LRV and adapt speed according to the timetable, procedures, signals, line profile and the surrounding environment
- Stop at each LRV station, ensure the door opening and closing sequences are correctly followed in a safe manner
- Assist customers both boarding and disembarking when required. Respond to requests for information from customers when safe to do so, on platform or through the Information/Emergency Help Points in the cab
- Perform LRV preparation and report defects promptly, both on preparation and in service. Report Defects on the LRV, corridors, stations and depot, and rectify immediately when safe to do so
- Carry out their role as described within the operational emergency and incidents response plans
- Work either part time or full time hours (casual roles unavailable at this time)
- Other duties as directed by the LRV Operators Manager

Competencies Required:

- Ability to learn moderately technical issues, and to understand and apply specialised procedures.
- Has a high degree of safety awareness
- Capacity for learning and complying with rules and procedures
- Ability to remain calm in challenging situations and cope with stress
- Able to work autonomously.
- Able to achieve Cert III Driver (Light Rail) AQTF Qualification
- Exceptional motor skills (as a Rail Safety Worker Category I, you will be required to undertake a thorough medical as part of this recruitment process)

Profile Requirements:

- Have an open non-restricted driving licence (tram licence/experience not necessary!)
- Be legally entitled to live and work in QLD
- Have a positive attitude and good team spirit
- Be willing to work shift hours including night shifts on a Monday to Sunday roster
- Be fluent in written and spoken English with sound communication skills
- Have excellent reaction times (psychomotor testing will be required)
- Be a Rail Safety Worker Category I (Rail Safety Critical Worker)

If you feel you have what we are looking for then please apply online today to Melissa Stone, HR Director at Melissa.Stone@kdrgoldcoast.com.au.
