All KD workers have a responsibility to comply with and implement the KD Integrated Management System and to participate in processes, systems and procedures for Safety, Quality & Environment (SQE) that support KD business activities. Responsibilities are set out below:

- Comply with and implement the processes and systems that support positive safety culture and integrate positive safety culture into everyday work activities and behaviours;
- Contribute through the implementation of work activities and demonstrate behaviours in line with a positive safety culture to achieve KD's objectives and targets;
- Comply with and implement, participate in and support the KD's continuous improvement processes and systems;
- Participate in internal and external audits for continuous improvement of KD's systems and processes;
- Comply with and implement KD's systems and processes;
- Attend education, awareness and training provided by KD, hold the competencies to perform the role;
- Report all incidents and accidents in accordance with KD's incident reporting process;
- Participate in KD's injury management process;
- Integrate SQE performance requirements into behaviours and activities, follow processes and systems and provide feedback to the SQE team to facilitate continuous improvement;
- Comply with and implement KD's Fit for Work programs and system and attend work – fit for work;
- Comply with and implement the SQE requirements for human factors identification and assessment; and
- Participate in, comply with and implement the processes and systems that facilitate corrective actions, opportunities for improvement and hazard reporting.

As part of the recruitment processes at Keolis Downer Gold Coast, job applicants may be required to provide a National Police Certificate and undertake a Rail Safety Worker specific medical examination. Given the nature of the position you have applied for and, in particular, the duties and responsibilities that it includes, Keolis Downer Gold Coast considers this to be a reasonable requirement. Keolis Downer Gold Coast will assess a candidate's criminal record history and where appropriate Rail Safety Worker specific medical results against the inherent requirements of the relevant position before making a determination as to their suitability or otherwise for the role.

Keolis Downer Gold Coast are an Equal Opportunities Employer.
